**A FEW OF THE MANY INSTRUMENTS AND SOUNDS AT YOUR FINGERTIPS WITH THE "CHAMBERLIN":**

- Bass and snare drums, Tom Toms, Bells, Wood blocks, Slide Whistles, Sirens, etc.
- Cymbals, maracas, tamborines, etc.
- String instruments,
- Reed instruments,
- Wind instruments,
- Piano, Vibraharp, Marimba, etc.
- Animals, auto horns, whistles, trains, planes, cars, rain, thunder, etc. ANY SOUND you care to hear.

Now, anyone who plays piano, can get the thrill of playing Spanish & Hawaiian Guitar, Vibraharp, Marimba, Slide Trombone, Trumpet, Violin, Tuba, Drums and many other instruments. All instruments can be played solo or as four or more in harmony, such as four trombones sliding up and down in perfect unison.

Here is a complete instrument packaged that will truly amaze and entertain the entire world. Combining the magic of electronics with a vast mechanical know-how in high-fidelity musical and sound reproductions, this unique instrument offers a new concept in music and sound effects that is paralleled by no other one instrument.

This wondrous instrument "The Chamberlin" will faithfully reproduce any and all instruments, from the deep rumble of kettle drums—to the tinkling of the celeste. ANY SOUND can be faithfully reproduced, from screeching tires—to the patter of rain on the roof—merely by pressing the keys.

After years of experimentation and actual use, this instrument of instruments is ready for the music world—ready for your personal approval.

May we hear from you regarding a free demonstration.

Thank you
